

Formula Milks—Ingredients

January 2015

Please note: This product sheet contains information correct at time of publication. However, recipes may change so always check product packaging for the latest information.

Product	Ingredients
Infant Milks - Suitable from birth onwards	
First Infant Milk—800g powder	Organic skimmed milk, organic whey powder (partially demineralised), organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic lactose, prebiotic fibres (galacto-oligosaccharides from lactose), whey protein, potassium citrate, calcium chloride, LCP oils (fish, vegetable oil from Mortierella alpina), L-phenylalanine, sodium citrate, calcium carbonate, magnesium sulphate, calcium orthophosphate, vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), vitamin B6, pantothenic acid, niacin, vitamin E, folic acid, vitamin K, vitamin D, riboflavin (vitamin B2), biotin, vitamin B12], L-tryptophan, iron sulphate, zinc sulphate, stabiliser (lactic acid), inositol, copper sulphate, potassium iodate, manganese sulphate, sodium selenate.
First Infant Milk—200ml ready-to-feed	Organic whey (partially demineralised), organic skimmed milk, organic vegetable oils (rapeseed oil, coconut oil, palm oil, sunflower oil), organic whey powder (partially demineralised), organic lactose, prebiotic fibres (galacto-oligosaccharides from lactose), emulsifier (soya lecithin), LCP oils (vegetable from Mortierella alpina, Cryptocodium cohnii and sunflower oils), sodium citrate, potassium citrate, calcium citrate, vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), riboflavin (vitamin B2), vitamin B6, pantothenic acid, folic acid, niacin, vitamin B12, vitamin D, vitamin E, biotin, vitamin K], calcium chloride, magnesium chloride, calcium phosphate, potassium phosphate, sodium hydrogen carbonate, calcium hydroxide, potassium hydroxide, potassium chloride, potassium hydrogen carbonate, copper sulphate, potassium iodide, manganese sulphate, zinc sulphate, iron sulphate, sodium selenite.
First Infant Milk—90ml hospital ready-to-feed	Organic demineralised whey, organic skimmed milk, water, organic vegetable oil (palm oil, rapeseed oil, sunflower oil), organic lactose, prebiotic fibres (galacto-oligosaccharides from milk), organic whey protein, emulsifier lecithin, calcium carbonate, LCP oil (vegetable oils - from Mortierella alpina, Cryptocodium cohnii and sunflower oils), calcium orthophosphate, potassium chloride, potassium citrate, sodium citrate, vitamin C, sodium chloride, L-phenylalanine, magnesium oxide, iron lactate, L-tryptophan, zinc oxide, copper sulphate, niacin, pantothenic acid, vitamin A, vitamin E, thiamin (vitamin B1), vitamin B6, potassium iodate, manganese sulphate, folic acid, riboflavin (vitamin B2), vitamin K, sodium selenate, vitamin D, biotin, vitamin B12.
Hungry Infant Milk—800g powder	Organic skimmed milk, organic lactose, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from lactose), calcium carbonate, potassium citrate, LCP oils (fish, vegetable from Mortierella alpina), L-cystine, vitamin mix [vitamin C, pantothenic acid, niacin, vitamin E, vitamin A, thiamin (vitamin B1), vitamin B6, vitamin K, riboflavin (vitamin B2), folic acid, biotin, vitamin D, vitamin B12], potassium phosphate, L-tryptophan, inositol, iron sulphate, stabiliser (lactic acid), sodium chloride, magnesium sulphate, zinc oxide, copper-lysine complex, manganese sulphate, potassium iodate, sodium selenate.
Hungry Infant Milk—200ml ready-to-feed	Organic skimmed milk, water, organic lactose, organic vegetable oils (rapeseed oil, coconut oil, palm oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from lactose), emulsifier (soya lecithin), LCP oils (vegetable from Mortierella alpina, Cryptocodium cohnii and sunflower oils), vitamin mix [vitamin C, vitamin A, thiamin (vitamin B1), riboflavin (vitamin B2), vitamin B6, pantothenic acid, folic acid, niacin, vitamin B12, vitamin D, vitamin E, biotin, vitamin K], sodium citrate, L-cysteine, potassium hydroxide, potassium hydrogen carbonate, sodium chloride, zinc sulphate, iron sulphate, magnesium carbonate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
Follow On Milks - Suitable from six months onwards	
Follow On Milk—800g powder	Organic skimmed milk, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic whey powder (partially demineralised), organic lactose, prebiotic fibres (galacto-oligosaccharides from lactose), calcium carbonate, vitamin mix [vitamin C, vitamin A, niacin, vitamin E, pantothenic acid, thiamin (vitamin B1), vitamin K, vitamin B6, folic acid, riboflavin (vitamin B2), vitamin D, biotin, vitamin B12], calcium chloride, potassium citrate, iron sulphate, potassium chloride, stabiliser (lactic acid), L-tryptophan, zinc oxide, [copper sulphate, manganese sulphate, potassium iodate, sodium selenate.
Follow On Milk—500ml ready-to-feed	Organic partially skimmed milk, organic whey powder (partially demineralised), water, organic lactose, organic vegetable oils (rapeseed oil, sunflower oil), emulsifier (lecithin), prebiotic fibres (galacto-oligosaccharides from lactose), vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, riboflavin (vitamin B2), folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, iron sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.

Product	Ingredients
Good Night Milk—350g powder	Organic skimmed milk, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), organic corn starch, organic lactose, organic whey powder (partially demineralised), organic wholegrain rice flakes 3%, organic buckwheat flakes, emulsifier (soya lecithin), calcium carbonate, vitamin C, potassium chloride, L-tryptophan, ferric diphosphate, vitamin E, niacin, zinc oxide, pantothenic acid, copper sulphate, thiamin (vitamin B1), vitamin A, vitamin B6, zinc sulphate, riboflavin (vitamin B2), potassium iodate, folic acid, manganese sulphate, vitamin K, biotin, sodium selenate, vitamin D, vitamin B12.
Growing Up Milks—From the twelfth month onwards	
Growing Up Milk—600g powder	Organic skimmed milk, organic lactose, organic vegetable oils (palm oil, rapeseed oil, sunflower oil), prebiotic fibres (galacto-oligosaccharides from lactose), emulsifier (soya lecithin), calcium carbonate, potassium citrate, sodium citrate, vitamin mix (vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin D, vitamin B6, folic acid, riboflavin (vitamin B2), vitamin K, biotin, vitamin B12), magnesium carbonate, calcium orthophosphate, L-tryptophan, iron sulphate, stabiliser (lactic acid), zinc oxide, L-cystine, copper sulphate, potassium iodate, manganese sulphate, sodium selenate.
Growing Up Milk—500ml ready-to-feed	Organic partially skimmed milk, organic whey (partially demineralised), water, organic lactose, organic vegetable oils (rapeseed oil, sunflower oil), emulsifier (lecithin), prebiotic fibres (galacto-oligosaccharides from lactose), natural flavour, vitamin mix [vitamin C, vitamin E, niacin, pantothenic acid, vitamin A, thiamin (vitamin B1), vitamin B6, folic acid, vitamin K, vitamin D, biotin, vitamin B12], potassium hydroxide, sodium citrate, iron sulphate, magnesium sulphate, zinc sulphate, potassium iodide, sodium selenite, copper sulphate, manganese sulphate.
